Comments: Hi, I used to be a customer of yours last year for about 4 months. Very impressed with your services and my score really went up from 600's to 700+. I need your services again as some derogatory info needs to be removed etc as one of them is fraudulent but Experian refuses to delete it. [REDACTED]

Hello,

I used you guys before for a little and then cancelled. Today I checked my credit and realized whatever you guys did really worked. A lot of stuff was GONE. I went from the 400s to 555 and am looking to get that up to the 600s so I can qualify for a home loan. [REDACTED]
