Dear E Credit Attorney,

Thank you for all that you have done to help my credit and my wife's credit. We are now ready to buy a house and are no longer in need of your services. With thanks, please cancel both of our accounts.

Hello,  
I would like to cancel my account. I am most certainly satisfied with the services provided and utilized ECreditAttorney to boost my credit prior to a home purchase. My loan will be closing in one week and thanks to your service, I increased my score approximately 30 points!
