Hello,

My client no is Client ID: [REDACTED]

I am emailing you to request cancelation of my account with you. My reason for coming to you was to assist in improving my credit so I would be able to obtain a home mortgage. I have been successful in doing that and thus no longer will need your services. If you could please email me letting me know that my account is closed, I would much appreciated.

Thank you very much for your help over the past few months! Without your assistance, I would not be in this position looking forward to buying my first home!

Thank you,
Michael [REDACTED]
